ADMINISTRATION

Mr. Gerald Ladley
Superintendent

Mr. Allan Burke
Principal

Superintendent's Message:

You, the graduating class of 1948, are a product and a symbol of the American way of life. This is founded on political democracy, and institutions like your own High School are the principal safeguards to our way of life. No one who knows and really understands the political and economic history of our country, could be tempted to advocate changing the fundamental democratic principles on which our free society is based.

Try to prepare yourself to add something useful to the life of your community. A High School education will be of little value unless you continue to learn as you become an adult. Remember that good citizenship is founded on the spirit of tolerance, sympathy, and good sportsmanship, and the ability and willingness to be helpful to others.

SCHOOL BOARD: Mr. Lever; Supt. Ladley; Joan Beckman, secretary; Mr. Barr, chairman; Mr. Kirby, Mr. Scharf; and Mr. Taylor, clerk.

CLASSES

Seniors...

Monroe High School, here we come, was the challenge echoed by approximately seventy eager sophomores in the fall of 1945.

The motto - "If there isn't a way we'll make one," was carried throughout the years. Under the presidency of Gayl Sparks, they sailed throught their first year of high school, giving a successful Halloween Sock Dance.

As Juniors, Norman Walker and Mickey Watson shared the presidency; Barbara Gelderman, secretary; and Margit Ohrnell, treasurer. Margit was also treasurer of the Student Body. Miss Hill was the class advisor.

Under the leadership of LaVette Kern, the juniors transformed the gymnasius into a colorful, quaint little Dutch Garden for the Junior Prom.

The hilarious comedy, Mr. Beane From Lima, given the Junior year was under the direction of Miss Robertson and Mr. Berner. Mickey Watson welcomed the Senior class to the Junior-Senior Banquet on May 2. The theme, "May-Pole" as chosen by the Seniors for the Ball was carried out at the Banquet. As Juniors, they were presented the "Citizenship and Attendance Plaque."

With Miss Wicklund as advisor during the Senior year they presented the comedy, "Howdy Stranger" as the class play. Officers for the first semester were Charles Main, president; Gayl Sparks, vice-president; Lousie Thomas, secretary; Bob Manoske, treasurer; and Bob Dennis, sgt. at arms. Dennis McCarthy was president during the second semester.

A gay Spanish Fiesta Ball was given by the Seniors on April 30 after a wonderful banquet given by the juniors as a tribute to the graduating class of '48.

Leading the class in scholastic standing during high school were Jeana Dennis and Margit Ohrnell who received the high honors of Valedictorian and Salutatorian respectively. Margit also received the D. A. R. award. Gayl Sparks was presented with the girls' Wagner Award and Bob Manoske, the boys' Wagner Award.

Senior Prophecy...

"Jeana Dennis! How are you? I haven't seen you for years. By the way, congratulations on your appointment as head of the detective department of the New York Police."

"Thank you. You haven't been doing so badly yourself. I attended your spring fashion preview at the Waldorf Astoria last week and liked it very much. I particularly enjoyed seeing Bill Taggart still modeling Women's skirts. The comedy touch was delightful. You live in New York don't you?"

"Yes. I have a nice place on Long Island. Say, two of our old class members are my neighbors. Those business tycoons, Frank Etter and Sam Blanken, both have big houses close to mine. Billie Webster and Louise Thomas are their secretaries. But where have you been keeping yourself lately?"

"I was with the Seattle Police Department till my appointment here. I made a trip to Monroe not to long ago and was surprised to find how many of our classmates still live there. Carl Herman is a scientific farmer near Monroe. He's the one who discovered fifty new uses for the Irish potato. Bob Manoske, Gayl Sparks, and Norm Walker are on the faculty of M.H.S. as science teacher, P.E. teacher, and coach and Margit Ohrnell is teaching first grade there. Quite a few former members of our class own business establishments there too. Ray Waltner is part owner of Broughton's Grocery now, Bill Green is a cabinet maker, Bruce Barber has an electrecal repair shop, and Pat Ebeling is the town's leading mortician,—of course you knew that Dennis MacCarthy is now the superintendant of the reformatory."

"Yes, Ruth Marcear told me. This is her fifth season with the Metropolitan Opera, you know. She stopped in Monroe on a short visit while on a recent concert tour. She says several menbers of the class of '48 are still at their former occupations. Chuck Trabont is still going to Seattle hunting for the ideal woman. Bob Dennis is still wolfing, Bill Handley is still at M. H. S. sleeping, and Leone Roetcisoender is still driving the same old Packard."

"There are several members of our class in Seattle too. Winnie Banks is superintendant of Nurses at Swedish Hospital there. Boyd Johnson and Loren Armstrong own a large chain of garages and have their headquarters in Seattle. Another partnership is Chuck Woosley and Dick Nelson. They own the controlling interest in the National Broadcasting Co. and Cal Bosch is the manager of their Seattle station."

"I see Chuck and Dick once in awhile here in New York. There are quite a number of our former classmates living here. Maxine Earlywine is the editor of the New York Harald-Tribune, Gertrude Morse is a social worker, she started the well-known Morse House. Then, of course, there are Dona Hansey, Violet Roppas, Virginia Salvadalena, and Madeline Armstrong. They have their own radio program of western music. Sam Preston is a big theatrical agent. He manages the famous dance team of Main and Watson, who are none other than Mickey and Charley. Then there is Norm Helm, who is part owner of the Safeway chain."

"Speaking of Norm Helm, his brother Bill is married, you know, and now owns the Monroe Monitor. Molly Malone, Barbara Gelderman, and Rose Garlets are married too, and of course I mustn't forget Darlene Andrews and Larry Whitfield."

1947 GRIDIRON REPORTS

Monroe began the 1947 football season in the newly organized Tri-County League with ar easy 7-0 victory over the Granite Falls Tigers on the home field. The mext game was a non - league game with the Snohomish Panthers coming out on the top end of a hard fought 19-7 win.

The following Friday the Bearcats really caught fire and trampled the home town Sultan Turks to the tune of 21-0. Hard luck was out in force in the next game, and as a result the Bearcats were held to a 6-6 tie by an inferior but hard fighting Oak Harbor eleven. Then with the Langley Falcons as their opposition the Bearcats showed their Girdiron punch by overcoming a first quarter touchdown, to take a slose 7-6 victory. The following Friday the Bearcats journeyed up North to engage in what proved to be quite a scoring spree by both teams, with the Bearcats punching over the winning touchdown in the final minutes of the game to win a hectic battle 25-19.

In the next game the Bearcats played host to the Concrete Lions in a downpour of rain but again the ecked out a close 6-0 win.

Then in the most important contest of the season, the Bearcats played the undefeated Lake Stevens Vikings for the championship of the county and Tri-County Leagues. It was a hard fought game all the way but as the final gun sounded the Vikings were still holding a 14-7 lead and were crowned football champs of 1947.

The Bearcats made a runaway of the last game of the season in walloping the Darrington Loggers 33-0 on their home field.

For their outstanding play during the season the following Bearcats were awarded berths on the Tri-County first and second teams: Maynard Anderson and Norm Walker were placed on the first team while Wally Pearson and Dick Nelson received second team honors. Honorable mention also went to Dennis McCarthy and Jack Hensley.

"Casaba" Review of '48"

The Monroe Bearcats had a fairly successful season this year under the leadership of, "Jake" Donnelly, their coach.

After a slow start in which the home team lost their first three league games, they literly set the league afire by winning nine out of ten games to move from the cellar position to a tie for fourth place in the newly formed Northwest Tri-County League. The Bearcats couldn't quite seem to hold this pace. however, and dropped their last game of the regular season to Lake Stevens, a team they had previously knocked out of the undefeated bracket. If the Bearcats had won this game, they would have won the county championship and undisputed position of fourth place of the tri-county league.

After the close of the regular season Monroe went on to play Lake Stevens again their first game in the District Tournament held in the Twin City gym at Stanwood. Lake Stevens again came out on the long end of the score. The second game Monroe played in the tournament was with their hosts, the Twin City Cardinals. Twin City won this game by a scant two points. The two losses, however, eliminated Monroe from further play in the tournament.

The Bearcats played their last game of the season against the twon team.

This was a benifit game with all proceeds going to the lighting fund.

The Bearcats second team couldn't seem to be topped except for their first game with Twin Cities which they lost by 2 points. This loss snapped their winning streak of a straight twenty-three games. However they now have a record of 14 games straight, which will carry on into next year.

The Bearcats are losing five players through graduation this year but they have all of the second team and some first team reserves who are excellent ball players so Monroe can look forward to another good team next year.

A gold basketball was awarded to Doug Roughton for winning the foul shooting contest this year.

Dick Nelson won the first annual legion award this year.

This award is presented each year to the most outstanding player and scholar for the year.

GIRLS' ATHLETIC ASSOCIATION

Ably assisted by their coach Mrs. Margaret Young, fifty-two girls began turnout last fall. Speedball was the first sport on the season's schedule and in November, the first playday of the year was held at Marysville.

The next sport of interest was volleyball. Competition between classes this year made this average sport particularly interesting. In the playoff, the junior class won. Playday was held at Snohomish.

One of the favorite sports in turnout is basketball, so many girls were out for the teams. Again class competition was held, with the juniors and seniors tying for first place. The winning junior team was composed of Gloria Hansey, Rose Mattson, Joan Francis, Delores Lind, Joyce Farmer, and Joyce Pownall. Members of the senior team were Margit Ohrnell, Marcella Davis, Mickey Watson, Gayl Sparks, Dona Hansey, Rose Garlets, Violet Roppas and Darlene Andrews.

Tennis is the last mojor sport of the season, and the first time in years a tennis team was formed to play against other schools. Schools participating in the contest were Snohomish, Sultan, Marysville, Edmonds, and Arlington. The members of the Monroe tennis team are Sur Preston, Ethlynn Davis, Marcella Davis, Gertrude Morse, Margit Ohrnell, and Carmella Federico.

Besided these major sports during the year, the girls try to get in as many minor sports as they can. Some of the favorites are archery, badminton, tumbling, ping pong, bicycling, roller skating, golf, and swimming.

Since girls can not take part in competitive sports, except for tennis, all the schools in the county have been holding playdays for each major sports. At these playdays the girls are given a chance to play together and learn the rules of good sportsmanship.

M.H.S. BAND

This year the Monroe High School Band, under the direction of Paul Bennett, has appeared at most of the home football games and at all of the basketball games here. The band held a raffle of a radio-phonograph and an electric toaster in the fall to raise money for uniforms. The uniforms were ordered right after Christmas vacation and were initiated at the Junior Play which was given on March 23.

Mr. Bennett also wrote new words to a band march for a new school song, which has created more enthusiasm and support, in the school spirit.

The Band has improved considerably and deserves the new uniforms that it has received.

OFFICE FORCE

QUILL AND SCROLL

OFFICE FORCE

To conduct school business efficiently two office girls work each period and before and after school. These girls learn to keep files, entertain visitors and do all essential work. They must keep the office neat and clean, must answer all telephone calls, and obtain necessary information. They must introduce new students to the principal and make them feel at ease. They must help to adjust the new pupils, acquaint him with the other students.

The office girls this year have done their work especially well and have aided Mr. Burke and Mr. Ladley in the office to the best of their ability.

(L. to R.) Gloria Hansey, Molly Malone, Gayl Sparks, Miss Hill, Ida Lou Jones, Maxine Earlywine, Margit Ohrnell, Billie Webster.

LIBRARIANS

This year a large group of librarians worked with Miss Wilkie in the library. They learned arrangement of books on shelves circulation of books, use of reference tools, and the card catalog. The average daily circulation is about sixty books. There are approximately three thousand books in the library. Thirty new books were added this year, while about fifteen magazines are on the subscription list, two daily papers, the "P.I." and "The Everett Herald" and one weekly paper, "The Monroe Monitor", are available to the students. Another needed addition this year is the new eighteen drawer vertical file cabinet which has eased the duties of the librarians considerably.

(L. to R.) Darlene Andrews, Claire Tuck, Sylvia Tuck, Dolores Lind, Rose Mattson, Jeanne Biddleman, Betta Greenwood, Lillian Barnett, Margaret Armstrong, Madeline Armstrong, Miss Wilkie, Elaine Masterjohn.

QUILL AND SCROLL

This year a new organization was started in the High School which is for journalistic students. It is a national organization and only those students who are in the upper half of their class may belong.

Last spring the Snohomish Quill and Scroll came to Monroe and initiated the new members here. The Monroe chapter was invited to Snohomish to attend their initiation of new members in their chapter.

Seated are: (L. to R.) Joan Francis, Jeana Dennis, Lethene Dennis Barbara Sladek, Cecelia Enyeart.
Standing are: (L. to R.) Gayl Sparks, Miss Wicklund, Maxine Earlywine, Gloria Hansey, Elroy Knoshaug, Joyce Farmer, Marcella Davis, Miss Wilkie.

YELL LEADERS

GIRLS' CHORUS

MIXED CHORUS

YELL LEADERS

The Yell Leaders have had a much better response from the students in yelling and supporting the team as a whole, this year. There are three sophomores, Sue Preston, Dolores Mercer,and Carolyn Nelson, one junior, Jean Fortman, one senior, Mickey Watson and our little mascot from grade school, Shirley Walker.

Our team has done well in all the sports this year and no little credit goes to the strong and faithful support from the Yell Leaders and the students.

(L. to R.) Sue Preston, Jean Fortman, Dolores Mercer, Mickey Watson, and Carolyn Nelson.

GIRLS' CHORUS

The Girls' Chorus this year, under the direction of Mr.Swanson, has only seven members. Nevertheless, they have produced beautiful singing. They sang several numbers for the Christmas program and party held in the high school gym. They also sang before the P.T.A. and were well commended for their performance.

They also participated in the operetta "Rio Rico" which was given on May 6. Several of the girls were given solos or duets with male characters in the operetta and the public was very surprised and pleased with the production of the operetta. Mr.Swanson is the music director for Monroe Schools and should be complimented on the success of the operetta.

(L. to R.) Mr. Swanson, Darlene Andrews, Louise Thomas, Elaine Masterjohn, Jean Fortman,Faye Giles, Dorothy Roorda,Mary Swanson.

MIXED CHORUS

A new innovation created by Mr. Swanson, our Musical Director, is the mixed chorus. It is composed of both boys and girls and has created interest on the part of the students in music.

In the operetta that was mentioned above, all the boys in the mixed chorus took a part. They enjoyed practicing for it and also presented it very well to their audience on May 6.

This chorus has helped the boys to become interested in some music and will probably continue through the years.

(L. to R.) Loren Armstrong, Avery Fulcher, Kathryn Armstrong Merle Olson, Ruth Marcear, LeRoy Obom, Rose Edeline, Maynard Anderson, Bill Handley, and Mr. Swanson.

SENIOR THESPIANS

On January 20, the Senior class of '48 presented their play called, "Howdy Stranger". Under Miss Louise Wicklund's direction the comedy was a huge success and received many hearty laughs from the audience.

The play centers around Elly Jordan, a singing cowboy from Brooklyn, who has a fear of all kinds of animals. He starts out for California, stops in Cody, Wyoming, at a Dude Ranch where he met Jane Hardy with whom he fell in love. There, a threatrical agent packs him off to New York as a real singing cowboy. In New York the trouble begins. The play ends hilariously with a hypnotized Elly winning the bulldogging contest at Madison Square Garden.

The principal characters were as follows:

Ma Hardy--M. Earlywine
Pa Hardy---L. Schwartz
Jane Hardy---G. Sparks
Jeff Hardy--B. Manoske
Prof. Landis---C. Main
Sam Thorne--C. Woosley
Elly Jordan----N. Walker
Roy Chadwick--S. Preston
Miss Semple----J. Dennis
Pat Dunn------G. Walberg
Mrs. Jordan---R. Marcear
Mr. Jordan----R. Waltner

JUNIOR THESPIANS

"We Shook The Family Tree" by Hildegarde Dolson, was presented by the junior class on March 23. Under the capable direction of Miss Robertson and Mr. Berner, the play was well received by the audience.

Hildegarde Dolson has won a school debate on returning to Prohibition Days hoping this will attract a boy who will take her to the Junior-Senior Prom. By winning she has given the impression that her father is a drunkard. Mr. Shermer, Mr. Dolson's employer, finds out about this and definitely disapproves of the talk, threatening Mr. Dolson's job. To complicate the situation Mrs. Dolson has made arrangements for Hildegarde to go to the Prom with Freddie Shermer, who is the joke of the school since he wears short pants. Results. complications!!

The characters were: Hildegarde-J. Fortman, Mrs. Dolson- J. Farmer, Mr. Dolson-M.Olson,Sally D.-B. Greenwood, Bob D.-C. Kirby Jimmy D.-T. Ramaley, Paige-C.Enyeart, Ellie May-J.Francis, Jill-J. Pownall, Freddie- J. Schwartz, Mrs. Shermer-G. Zaat, and Mr. Shermer- A.Fulcher.

SENIOR BALL

The Senior Ball was held on May 2, with Maypole as the theme. A huge maypole stood in the middle of the sym, with streamers radiating from it. The sides of the gym were decorated with a lattice of streamers and the stage was decorated as a garden. A wishing well stood in one corner.

SOCK DANCES

During the school year 1947-48, a number of sock dances were held. Various groups sponsored these dances after football and basketball games and on other occasions.

JUNIOR PROM

The theme of the Junior Prom, held on November 26, was Winter Wonderland. The gym was decorated with blue, white, and silver streamers. A bridge, shaped like a halfmoon, with moss hung along the sides formed the main entrance. Montgomery's orchestra was enclosed in cedar bows at one end of the gym. The stage was decorated as a home. A wishing well stood in one cormer. The entrance to the dance floor was formed by a white picket fence with an archway in the center, over which were the words "Winter Wonderland."

The refreshments were served on the stage and consisted of punch and several kinds of cookies.

JUNIOR BANQUET

The Junior Banquet was held on May 2, before the Senior Ball and had a maypole theme. The menu was tomato juice, ham or salmon loaf, string beans, parsleyed potatoes, cole slaw, rolls, coffee, mild, pineapple sherbet, and cookies.

For the Program, Charley Main played two piano solos, a mixed octet sang several numbers, and Ruth Marcear sang a solo.

CHRISTMAS PARTY

The annual Girls' Club Christmas Party, held on December 22, was very successful. In addition to each class choosing a queen candidate, each class also chose a king candidate. The sophomores chose Maxyne Unzelman and Laurence Hester, the juniors chose Barbara Sladek and Wally Pearson, and the seniors chose Molly Malone and Sam Blanken. The two senior candidates were crowned by Santa, alias Norm. Helm. A short program was presented with the alumni participating. As usual, the students all drew names for gifts.

"Some of our former class members are engaged in more unusual occupations. Gerry Walberg and Marcella Davis are both playing with the Boston Symphony Orchestra, and of course you know that Elaine Masterjohn and Mary Swanson are fast becoming a famous tennis team."

"We mustn't forget LeRoy Schwartz, who is the captain of one of our largest battleships, and Bob Short, who is on a tramp steamer somewhere in the South Pacific. He plans to write a book about it when he gets back. Then there is Elroy Knoshaug. He is a wealthy cigar manufacturer and has a huge plantation in Cuba."

"That seems to account for all of our former class members. Let me congratulate you, Sherlock, on a brilliant piece of detective work."

"Thank you, Watson."
